Greeting Sisters and Siblings,

As we embark on these next few weeks of celebrating 45 years of Lambda Theta Alpha, we are thrilled to share our latest Curated List. In this volume, we explore themes and narratives that focus on the beautiful bonds of Sisterhood. **Sisterhood is a connection that expands across cultures, across ages and is rooted deep within Lambda Theta Alpha.** The bonds that drew us to attend our first event, that strengthened as we journeyed to the Lambda Light, that carried us through when things get hard as they sometimes do. The path that continues to pave the way to our beloved principles of Unity, Love and Respect.

The National Book Club is excited to share the LTA Curated List, Volume III as we continue to celebrate the universal identities that exist within Lambda Theta Alpha. As always, we encourage you to support local shops and bookstores. They truly can use and appreciate your support during this time.
