Greetings Sisters and Siblings,

We hope you have enjoyed our first four curated lists and took the time to review the collections. In Fall 2018, we launched the LTA Reads National Book Club with “I Am Not Your Perfect Mexican Daughter”, which encouraged us to explore Latin American communities, cultures, and different perspectives of its people.

Throughout the month of May, the beautiful heritage, history, traditions and achievements of Asian and Pacific Islanders has been recognized and celebrated. **Paying tribute to the generations of contributions who have enriched American culture and history is instrumental to future success.** We invite you to join us as we explore narratives from Asian and Pacific Islander authors.
